

# My Manifesto

My name is Caolan

I would like to be your Class Councillor because I am responsible, sensible and you can rely on me. If you can make me Class Councillor, I will try my hardest to make your ideas a reality. I will try to get an ice cream day so every term we will have Ciao Genoas or whatever ice cream you want, you'll get. We will also have a pet day when you bring in your pet. If you don't have a pet, you can play around with other people's pets until 12 o'clock. I have many more fun ideas so VOTE FOR ME!
