

School Council Manifesto

My name is Ellie McPolin and I am seven years old. I am in Mrs O'Grady's Primary 4 class.

I would like to be a School Councillor because I would like to set a good example for other children in our school and I would be responsible.

I think I would make a good School Councillor because I would pick important things that the school needs and I would try to get them for us.

Some of my ideas are to make sure that all of the manholes outside are carefully covered so that no one trips on them and I would ask for some more Polydron and Hula Hoops to play with outside at lunch time. I also think we should get more benches for the front yard because when people fall there is no room to sit down.
