

My School Council Manifesto

My name is Grace McConville. I am in Mrs Fitzpatrick's Primary 5 class. I believe that I would be the ideal candidate to represent our class on the school council because I am trustworthy, kind, confident and helpful. I like to play Gaelic and I like being creative and I like art. I have lots of ideas to improve the school which include raising money for cracked walls, leaks and any damage that has happened in school. We can also raise money for new equipment like balls, pencils, pens, books and much more. I think we should have a Halloween party and everyone can wear scary costumes and bring in £1. I also think we could have a book sale or a bakery sale or a toy sale or art sale. If I was school councillor I would like to have meetings with people who are worried about things and try to help them be happy.
