

My Class Manifesto

My name is Emma Day and I am in Mr. Keenan's P.6 class. I believe I am the perfect candidate for the position of school councillor because I am very cooperative, affectionate, a good listener and I'm very good at talking aloud. I have always aspired to be the school councillor to represent our class. If you need help or are on the buddy bench, I will help you or ask if you would like to join my game and if not that's ok. I will work as arduously as I can to make your dreams become a reality!

I have multiple excellent ideas to make Carrick Primary School an even better place for you. My ideas include:

- I would like to organise a Bake Off and if you wished to take part you would bring in £1.50 to raise money for our school budget and many deserving local charities.
- An after school club for boys and girls to play games and hang out with their friends.
- I would organise a day in which you dress up as a superhero or your favourite character.
- We could plan a fundraiser to raise money for things like footballs and maybe also a climbing frame.
- Finally, we could have different after school clubs like a lego club, a games club and for the gymnastics club to recommence again.

*A vote for me is a vote for you.
Vote Emma Day, the perfect choice!*
