Road Safety – School Guidelines 2018-2019

(Drawn up by the Junior Road Safety Officers, (Charlie Denner and Caolan Serridge) Mrs J McStay and Carrick Council)

- When walking down from school all pedestrians must stay on the paths/footpaths and not take short cuts or run as the ground is steep and stony.
- Always wait until Mrs McStay leads you across the road. Never step out onto the road, before Mrs McStay.
- Children must cross the road with Mrs McStay or with a parent/carer.
- Always cross the road, in front of Mrs McStay.
- Don't run across the road; walk.
- When crossing the road with Mrs McStay, keep listening and looking out for oncoming traffic and any dangers.
- Never get out of a car, along the road; you must wait until the driver pulls in beside a pavement or pulls into a parking space, before you get out of the car.
- When you get into a car or the bus to travel to or from school, please put on your seat belt. This may well save your life and/or someone else's life, in the event of an accident.
- If you are travelling on the bus, always wait until the bus has stopped before taking off your seat belt and leaving your seat.
- When walking up to school from the Ballydesland Road or from the Bridge Road, always use the footpaths provided.
- When leaving school, always use the footpaths provided.
- Children are not permitted to go over to the park after school, unless they have a note of permission from their parents.
