## School Prospectus 2020-2021

FORWARD TOGETHER

*Dear Parents*

*May I take this opportunity to welcome you and your child to Carrick Primary School. I do hope the years ahead will be fulfilling and rewarding. We, at Carrick Primary School, do our utmost to fully realise every child's potential.*

*Carrick Primary School first opened in 1939, and since then, our school has prospered and its good reputation has blossomed. Our pupils have enjoyed success not only in examinations, but also in a wide range of other areas. This success is primarily due to the fact that our children are encouraged and challenged to explore their gifts, spiritual as well as intellectual, physical as well as social, in a warm and friendly atmosphere.*

*We believe that children cannot learn if they are not happy. Therefore, every effort is made to provide all the support that children need. We pride ourselves on the excellent staff-pupil relationships which exist in Carrick Primary School and on the effectiveness of our Pastoral Care provision. We value the services and support of our Parish Priest, Fr D Mooney.*

*In September 2012 we welcomed the pupils into our new state-of-the-art primary school and it is great to know that the current pupils and future pupils will avail of these excellent facilities.*

*This prospectus has been designed to provide you with an insight into the life and work of our school. Our hope is that it reflects the genuine concern we feel, with regard to meeting the needs of all our pupils and staff.*

*If you require more detailed information on any aspect of school life, please do not hesitate to contact me. I wish you and your child, happiness and success in the years ahead.*

*Yours faithfully*

*Mrs A Cassidy  
Principal*

*Mr Gerard Murdock  
Chairperson of the Board of Governors*

## **Carrick Primary School**

### **Vision Statement**

Forward Together: “Ar aghaidh le chéile”.

### **Mission Statement**

In Carrick Primary School we aim to provide a safe, caring and stimulating environment, in which to realise and celebrate the academic and non-academic potential of all our pupils. We expect our pupils to work hard and encourage parents to assist us in laying the important foundations for future learning.

### **Aims**

#### **In our school we aim to:**

- Develop and strengthen each pupil’s understanding and love of Catholic values by promoting the Catholic ethos throughout the school;
- Create a safe, enjoyable learning environment in which effective learning is facilitated and quality teaching is provided;
- Implement all aspects of the Northern Ireland Curriculum;
- Help our pupils to develop a positive attitude towards life and a love of learning;
- Value, respect and nurture every child in our care;
- Encourage pupils to respect themselves and others and to support and care for one another;
- Equip our children with the necessary life skills to enable them to participate in a fast changing society;
- Endorse the United Nations’ Convention on the Rights of the Child and work towards the implementation of policies and practices which reflect the Convention; and
- Involve the parents, Board of Governors and wider community in the life of the school and in the holistic development of the children in our care.

## **ADMISSION**

The Board of Governors is conscious of its responsibility to meet the legal requirements placed upon it by the Northern Ireland Curriculum. It has therefore been decided that only **children of compulsory school age** will be admitted. If the school's admission and enrolment numbers have not been reached the school will admit all the children of compulsory school age whose parents wish them to attend. Any child who reaches his/her fourth birthday on or before 1 July 2020 is of compulsory school age and must receive education from September 2020.

### **ADMISSIONS CRITERIA FOR PRIMARY ONE CHILDREN**

In selecting children for admission, children resident in Northern Ireland at the time of their proposed admission to the school, will be selected for admission to the school before any child not residing in Northern Ireland. The Governors will use the following criteria in the indicated order in deciding which pupils should be admitted at the initial enrolment stage.

#### **Criterion 1**

Children of compulsory school age who reside in the parish of St Mary's Burren.

#### **Criterion 2**

Children of compulsory school age from other areas.

In the event of over-subscription in any one of the criteria, the following sub-criteria will be applied in the order set down. If over-subscribed in any one of the sub-criteria, final selection will be on the basis of the closeness of the home to the school, measured by the shortest public walking distance, with priority being given to those living nearest to Carrick Primary School.

- (a) Children whose parent/guardian/grandparent is presently a permanent member of the teaching/ancillary/auxiliary staff or coaching staff or a Governor of Carrick Primary School.
- (b) Children who have a brother/sister/half-brother/half-sister presently enrolled in Carrick Primary School.
- (c) Children whose parent/guardian/ step parent/brother/sister/half-brother/half-sister is a prior pupil of Carrick Primary School.
- (d) Preference will be given to children with exceptional circumstances (medical, social or other problems) that necessitate admission to Carrick Primary School rather than any other primary school. The circumstances should be personal to the child and must be supported by independent and appropriate documentation, providing evidence of the circumstances being described as being exceptional.
- (e) Other children

## **DUTY to VERIFY**

The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any application form.

The provision of false or incorrect information or the failure to provide information within the deadlines set by the primary school, can result in the withdrawal of a place and the inability to offer a place on the part of any school nominated on the applicant's application form.

## **WAITING LIST POLICY**

Carrick Primary School's Waiting List Policy is available upon request from the school secretary.

## **ARRANGEMENTS FOR ADMISSION**

In June 2020, those children to be admitted in September 2020 will be invited to come to the school with their parents to meet the class teacher and to be provided with additional information.

## **CRITERIA FOR ENTRY INTO PRIMARY 2 - PRIMARY 7**

The following criteria will be applied in the order set down below, to all pupils seeking admission to Years 2 to 7. However, the school cannot cause or permit the number of registered pupils to exceed the school's enrolment number as determined by the Department of Education.

1. Pupils for whom their admission would not, in the Board of Governors' opinion, prejudice the efficient use of the school's resources.
2. Children who reside in St Mary's Parish, Burren.
3. Children who reside in other parishes, surrounding St Mary's Parish, Burren.

In the event of being oversubscribed, on the last criterion that can be applied, then the following sub-criteria shall be used:

- (a) Children whose parent or guardian is a permanent member of the teaching/ancillary/auxiliary staff of Carrick Primary School.
- (b) Children who have a brother/sister/half-brother/half-sister presently enrolled in Carrick Primary School.
- (c) Children whose parent/guardian/step parent/ brother/ sister/ half-brother/ half-sister is a prior pupil of Carrick Primary School
- (d) Other children.

If there are more applicants than places remaining in the last criterion that can be applied, then priority will be given to those nearest the school, as measured by the shortest public walking distance.

The Board of Governors expects a parent/guardian to present the following documents on the admission of their child to P2 to P7:

- A transfer certificate from the school previously attended (if available).
- A birth certificate; and
- A copy of the most recent school report.

## **Visiting the School**

Before deciding to apply for a place in Primary One, parents are welcome to attend the Open Day or to contact the school, to make an appointment to meet the Principal and to view the Primary 1-7 classrooms, play areas, resource areas, PE hall and Dining Hall. It has always been the policy of Carrick Primary School to involve parents in the education of their children and to inform them as fully as possible about their children's progress.

## **Primary One Pupils**

All parents of prospective P1 children will be invited to the school in June to a talk given by the Principal and teachers about general school policies, procedures and preparations for Primary One.

## **School Meetings**

During October/November all parents will be invited into school for a parent/teacher meeting. The class teacher will inform parents of the progress their child has made. Primary One parents are invited to attend a second parent/teacher meeting in March. Parents will receive a written report on their child's progress at the end of the school year.

## **Parents' Meetings**

If parents have any concerns or queries about their children's progress or problems of any kind, it is important to contact the school as soon as possible to have these resolved. To avoid the disruption of classroom work, the following procedures are followed:

In an emergency, parents should telephone the school and arrange to meet the Principal (Mrs Cassidy) or Vice- Principal (Mrs Duffin).

In a non-emergency, parents should contact the school and arrange a meeting with the relevant member of staff or speak to the staff member by telephone, after 3.00pm.

The parents of P7 pupils, transferring to secondary education will be invited to an interview with the Principal in January/February, to complete the Transfer Report. The Principal will provide advice and guidance where required, on the completion of the Transfer Form.

Parents will be invited to the school for a range of activities such as Parent Meetings, Concerts, Sports Day and fund raising activities. An Open Day is arranged each year to enable all prospective parents and pupils to view the school and to meet the staff.

## **THE SCHOOL CURRICULUM**

### **Curriculum Policy Statement**

It is the policy of the Board of Governors of Carrick Primary School that all the pupils will receive their full entitlement under the Northern Ireland Curriculum and that the

school will go beyond that entitlement in areas where there are particular abilities or strengths among the children or among the staff.

Carrick Primary School will offer a curriculum which is balanced and broadly based and which promotes the spiritual, moral, cultural, intellectual and physical development of the pupils. This curriculum is concerned with values and attitudes, as well as knowledge and skills. It is designed to help pupils become independent learners and to prepare the pupils for the opportunities, responsibilities and experiences of adult life. It is also an aim of the school to maximise the potential of each pupil, to develop children's self-confidence and to promote a spirit of tolerance towards others.

The curriculum aims to stimulate thinking, reasoning and the desire to learn in pupils.

Our school strives to stimulate our pupils in relation to the acquisition of knowledge, skills, attitudes, values and character development, within the context of our Christian beliefs.

The curriculum is seen as being a common curriculum for all the pupils of Carrick Primary School, and no pupil will be debarred from any part of it on any grounds. The school will take into account the needs of all children, including those with learning difficulties and gifted children, when allocating resources. Every effort will be made to provide maximum access to the curriculum for children who are less able and the school accepts its responsibility to attempt to develop the full potential of all children, including less able children and gifted children.

### **Curriculum Delivery**

The distribution of time to the various subjects and areas of study will be in accordance with guidance from CCEA. This allocation of time will reflect the responsibility to deliver a broad and balanced curriculum to each and every child. Detailed planning for delivery takes place on a half-termly basis and teachers also meet to engage in short term planning. Timetables and planners are available in the school office for examination by the parents of both current and prospective pupils.

Carrick Primary School has a tradition of excellence in Music and Drama and it is the intention of the Board of Governors that this will continue. All children will access music, both singing and instrumental, and will also be given the opportunity to develop these interests in extracurricular activities. The choir meets to practise every Wednesday afternoon from 2.45-3.30pm and is involved in assemblies, concerts, masses and events throughout the school year. Peripatetic Music Tutors come into school weekly and offer tuition in string, woodwind and brass instruments and also singing. Instrumentalists are afforded the opportunity to play at assemblies, concerts, masses and school events.

At various times throughout the school year, parents will be invited into the school to see performances e.g. assemblies, plays, dramas and musicals.

The school is well equipped for the study of World Around Us (Science and Technology, History and Geography) and all the children will be given the opportunity for practical involvement in this area of learning.

Each co-ordinator in the school will be responsible for ensuring that there is progression and continuity within the detailed schemes of work.

All teachers and classroom assistants have received training in Assessment for Learning, the Northern Ireland Curriculum and Assessing the Cross-Curricular Skills. Since 2017, the staff have attended training in relation to Child Protection/Safeguarding, Spellings, Handling Data, World Around Us, ICT and the Healthy Me Project, which are priorities within our School Development Plan.

### **Complaints Procedure**

At Carrick Primary School we are committed to improving our service.

We will use information from all stakeholders to help maintain and improve our service. We encourage and welcome all comments and views, both positive and negative.

Our complaints policy is designed to establish a clear mechanism for the resolution of complaints. Our comments/complaints policy is available upon request.

The school doors will be open at **8.30am** to receive pupils. Supervision is available in the Assembly Hall from 8.30am-8.45am and at 8.45am the pupils make their way to their classes.

### **Holiday Arrangements**

Information about the school holidays will be distributed to pupils at the beginning of the school year. The school calendar is also available on the school's website ([www.carrickprimaryschool.com](http://www.carrickprimaryschool.com)). In the event of an emergency closure, parents or carers will be notified by text or phone to enable them to make the necessary arrangements.

### **Religious Education**

Being a Catholic Maintained School, Carrick Primary School's duty, is to provide Catholic education for the children of the parish of Burren and beyond. Carrick Primary is proud of the fact that, throughout the years, its doors have been open to children of other religions and should these children wish to enrol, they will be more than welcome, provided that they meet the admissions criteria as previously detailed. Parents may ask for children to be excused from attending religion classes.

Children will be prepared for the sacraments of First Confession and First Holy Communion during their P4 year and for the Sacrament of Confirmation during their P7 year. There will also be a formal school assembly on two mornings per week, when staff members and pupils say prayers and sing together. Each class also has the opportunity to lead the assembly, and children participate in readings, singing, music and drama. During the month of January each year, there is a special programme of events to mark “Catholic Schools’ Week”.

### **Children with Special Educational Needs**

Provision for pupils with Special Educational Needs is an important priority in Carrick Primary School. The school is particularly aware of the difficulties experienced by children with disabilities and will endeavour to facilitate their needs, whatever these may be. The aim of ensuring that those with learning difficulties are fully integrated into the school community, will remain a constant concern. Children who encounter learning difficulties will have access to a comprehensive programme of work which is appropriate to their particular needs. This programme will be devised by the class teacher in consultation with the Special Needs Co-ordinator and the Learning Support Teacher. Parents may request a copy of school’s Special Educational Needs Policy from the secretary’s office.

### **Homework**

There are a number of reasons why homework is given in Carrick Primary School and the following are seen to be the most important:

- A] It gives parents an insight into the type of work the children are doing in school;
- B] It provides an opportunity for children to revise work already covered in class and/or to prepare for work which will be covered in class; and
- C] It provides an opportunity for children to work independently and to develop responsibility for their work.

A copy of our homework policy is available for parents upon request. The policy clearly sets out homework objectives, standards expected and proposed timeframes.

#### **End of Key Stage Two: % of Children Achieving Level 4 and above**

	Carrick Primary School (2019)	Northern Ireland Averages (2019)
English	94%	78%

### **Care and Welfare Arrangements**

The curriculum is seen as a whole curriculum which includes Pastoral Care. All families receive a copy of the school's Care and Welfare Leaflet and related Safeguarding information on an annual basis. Copies of the school's policies are available upon request, from the Principal's Office and from the school's website ([www.carrickprimaryschool.com](http://www.carrickprimaryschool.com)).

The school recognises that it has a responsibility to do everything possible to care for each pupil's physical and emotional well-being. The school will endeavour to provide a comfortable and safe environment for its pupils. Due to the nature of primary education it will be the responsibility of each class teacher to look after the pastoral needs of the children in his/her class. The Designated Teacher, Mrs Claire Kelly and/or the Principal, Mrs Anne Cassidy will attempt to resolve any significant problems experienced by pupils. Staff will attempt to resolve the worries of new pupils and to relieve their anxieties. Parents are asked to provide the Principal with information about any difficult home circumstances which may be causing distress or anxiety to a child.

When a child is sick or injured, the school will contact the parent(s). Where necessary, the child will be brought to the GP's clinic or in more serious cases, an ambulance will be called. If the parents have not arrived by the time the ambulance is leaving the school, the Principal or class teacher will go in the ambulance with the child, if permitted by the medical staff. In all cases it will be the school's policy to act in the best interests of the child.

### **Safeguarding/ Child Protection**

**The Designated Safeguarding/ Child Protection Teacher is Mrs C Kelly.**

**The Deputy Designated Safeguarding/Child Protection Teachers are Mrs P McPolin and Mr D Keenan.**

**The Designated Governors for Safeguarding/Child Protection are Mr G Murdock (Chairperson of the Board of Governors), Mrs P Sheehan and Mrs A Cassidy.**

**The Safeguarding/Child Protection Policy and Procedures are reviewed annually.**

### **Road Safety**

The Governors and staff of our school believe that we have an important role to play in helping to reduce the number of children killed or injured on our roads. We believe in the importance of educating the children for life and view Road Safety as a basic life skill. Consequently, the teaching of Road Safety is planned for P1-7 classes and implemented within all classes. P7 pupils are also offered Cycling Proficiency lessons.

### **Attendance**

Attendance of pupils is closely monitored using the attendance module of the SIMS system. The school maintains close links with the school's EWO (Education Welfare Officer) who ensures that concerns are identified quickly and dealt with promptly. Parents are requested to inform the school of a pupil's absence from the first day of absence. The school has excellent attendance records for both staff and pupils. Excellent attendance is actively encouraged by the staff and by the Governors.

#### **Attendance rate of pupils at the school**

2016-2017: 96.6%

2017-2018: 95.24%

### **Drugs Education**

Carrick Primary School is a caring, responsible, child-centred school. We strive to respond to the personal, emotional, social and educational needs of our pupils, through our interaction with them, in the classroom and beyond the classroom.

The emphasis in our drugs education programme is on the dangers involved in the misuse of tobacco, alcohol and medicines/drugs. As our programme responds to need, we will include other substances when appropriate.

We do not condone the misuse of drugs nor do we wish to sensationalise the drug situation. We believe in the importance of providing a drugs education programme which is appropriate to the experience of the children in our school.

The programme we provide helps to equip our pupils with the skills to respond to and to react appropriately to situations which may be hazardous to their health. Underpinning our teaching in this area is a belief in the importance of: building the children's self-esteem; helping them value themselves and others; and giving them a sense of their responsibility to themselves and others.

We recognise this as a partnership between the school, the parents and relevant outside agencies, where we work together towards educating and preparing our children for each stage of their lives.

### **Positive Behaviour and Anti-Bullying**

The Positive Behaviour Policy, the Anti Bullying Policy, summary leaflets and associated procedures are reviewed regularly. The policies and summary leaflets highlight strategies for ensuring good discipline within the school, through the use of praise, motivation stickers, stamps, awards and rewards. They are also based on the belief that every teacher has the right to teach and that every child has the right to learn unhindered. In cases where a child has transgressed the school rules, there is a graded set of sanctions. Where there is a serious breach of rules, parents will be invited to the school to discuss the matter with the Principal.

A positive approach to behaviour is fostered at all times and reinforced with a well established award/reward system. We believe that good discipline practices create the conditions for effective learning and help to develop in pupils, responsible attitudes and values for life. Staff consistently encourage high standards of behaviour within the school and beyond, in the interests of both the pupils and society. In Carrick, there is an excellent relationship between pupils and staff; good order is maintained, not simply by a regime of sanctions and rewards, but by encouraging self-discipline.

### **Our School Charter**

This Charter has been devised by the School Council:

We care and respect ourselves and others.

We are kind to everyone.

We show good manners.

We try our best.

We walk at the right times.

We look after property and use it properly.

We work together to improve our school environment.

We follow the playground and dinner hall charter.

### **Carrick Council**

To enhance the standard of behaviour and encourage pupils' contribution to a positive learning environment, a Students' Council has operated since 2007. This provides students with opportunities to discuss relevant school issues, with the guidance of the Positive Behaviour Team. In this way the pupils contribute to the decision making processes within the school.

### **Rights Respecting School Award**

Carrick Primary School is a Rights Respecting School and we have already been awarded Level 1 from UNICEF for our work in this area. This initiative involves all pupils, staff, parents, Governors and the local community and while it involves a significant amount of work, it is a very worthwhile project, from which the pupils and staff have already gained many benefits.

### **Eco-Schools**

Our ECO Programme makes a positive contribution to our environment and is an ideal way to foster environmental awareness throughout the entire school. This work is integrated into many curriculum subjects and our aim is to make environmental awareness and actions an intrinsic part of the life and ethos of Carrick. We have already been awarded a Green Flag for our environmental work and we are continuing to develop our ECO Project.

### **Extra-Curricular Activities**

Carrick Primary School believes that the extra-curricular activities offered in school, add a very valuable dimension to the holistic education of the children in our care. These activities include:

- Choir;
- Irish Dancing;
- Gaelic Football (boys and girls);
- Hurling;
- Camogie;
- Cycling Proficiency;
- Mathematics and English Club;
- HipHop;
- Gymnastics;
- Drama;
- Tennis Coaching;
- Soccer;
- Art; and
- Irish.

### **School Uniform**

There is a school uniform and a P.E uniform and it must be worn by **all** children. If a child cannot wear the uniform on any day, parents are asked to send in a note of explanation. The uniforms are available from a number of retail units, including McEvoy's in Newry.

The school's uniform consists of:

Green crested jumper, white polo shirt, grey trousers or grey skirt, green or white socks or tights and black shoes.

## Library

The school library has been dedicated to Mr P McArdle who was Principal of Carrick until 1998. The library is timetabled for use by all classes and use of the library is an integral part of learning and teaching in Carrick.

## PE

Physical Education is an essential part of the Northern Ireland Curriculum. In Carrick Primary School we aim to develop the children physically and to promote and encourage the enjoyment of Physical Education. Physical Education lessons take place in our assembly hall, on our grass pitch and on the hard play areas. The children access dance, swimming, athletics, games and gymnastics during Physical Education lessons and the co-ordinator promotes progression and continuity in Physical Education Schemes of Work and lessons for P1 – P7 pupils. Pupils will have at least two periods of PE each week. It is essential that all children have a labelled PE bag which contains a complete PE uniform. Parents are asked to encourage their child to dress and undress at home independently so as to make these “changing” times more manageable for both children and staff.

### P.E. Uniform (P1-P3)

- Burren Shorts/Green Shorts;
- White Polo Shirt; and
- Black Plimsolls or Trainers (velcro opening).

### P.E. Uniform (P4-P7)

- Black Tracksuit Bottoms (for colder weather);
- Burren Shorts/Green Shorts (for warmer weather);
- Black Tracksuit Top (optional);
- White Polo Shirt; and
- Trainers.

The above items are available from McEvoy's, Newry and other retail units.

The Burren shorts and tracksuit bottoms are available from Mr Jim McGivern (028 417 73655).

P.E. bags are available from Mrs O'Brien's office at a cost of £4.

**Parents are asked to ensure that all items of clothing and footwear are clearly marked with the child's name and class.**

## Charging and Remissions Policy

Education in Carrick Primary School is provided free of charge. The only occasion on which payment may be required is for board and lodging on an overnight trip. However, these charges will be remitted to parents on income support or family income supplement.

The school will, as it has done in the past, appeal to the parents from time to time for voluntary donations but no child will be disadvantaged in any way if parents choose not to make a contribution.

The school may take part in “optional extras” which are not connected with the school's formal curriculum, such as visits to the theatre or educational trips which have been approved by the Governors. Charges will be made for these trips where necessary. Written parental consent will be required before a child participates in any school trips.

### **Facilities**

Our new school opened in September 2012 on a 4.88 acre site. The school offers state of the art facilities to the pupils of the school.

### **Further Information**

The Board of Governors of Carrick Primary School realises that the information given in this prospectus is limited and may change over the course of time. Parents are very welcome to make arrangements to meet the Principal and staff and to visit the classrooms to access additional information. Alternatively parents can visit the school's website ([www.carrickprimaryschool.com](http://www.carrickprimaryschool.com)) to access more information about life in Carrick Primary School.

### **Conclusion**

Now that you have read the school prospectus, you will have an idea of the rich and varied life children will have, whilst attending Carrick Primary School. The children's well-being will be our primary concern at all times in their years here. I look forward to meeting you and I thank you for entrusting your child into our care. This policy will be reviewed annually or sooner if amendments are required.
